Workbook Chapter 17, Exercise 2-B

B. For each of these problems, first analyze and resolve the given chord, being especially careful with the chord 7th and the leading tone. Then find a smooth way to lead into the given chord. Analyze all chords.

C: ________  D: ________  A: ________  E♭: ________  B♭: ________

E: ________  C: ________  F: ________  G: ________  F: ________
